

## Recommendation Letter

I am writing this letter of recommendation on behalf of RS Consult BG. Net Info Group began using RSC in 2019 as a data analytics consultant.

RS Consult BG has been able to handle any request for coverage, even the last-minute ones. They always provide professional support and go above and beyond to help us with our Business Intelligence needs. I would highly recommend RSC to anyone experiencing data analytics and reporting issues. We plan to continue using RSC for all of our data and business analysis needs.

Sincerely,
