

Recommendation Letter

November 16, 2019

To whom It may concern,

This Sofia-based data analytics company provided Business Intelligence and reporting services to Nova Broadcasting Group. I want to assure you that RS Consult BG is a legitimate and professional company with a proven track record of achieving results.

The company provides well trained team, quality assurance and competitive rates. They do an excellent job, are always punctual, reliable and attend to every detail.

Our experience with RSC shows that the management of this company is always willing to give advice when requested and react quickly and efficiently. If you have any questions regarding RSC, you may contact me.

Very truly yours,

Malena Kerpecheva
Chief Accountant
